REGULATIONS RESPECTING MARINE MAMMALS

SHORT TITLE

1. These Regulations may be cited as the *Marine Mammal Regulations*.

INTERPRETATION

2. (1) In these Regulations,

"beluga calf" means a beluga that is dark in colour and less than 2 m in length, measured from the point of the upper jaw to the notch between the tail flukes; (*veau de béluga*)

"beneficiary" means a person who is a beneficiary under

(a) the Agreement approved, given effect and declared valid by the *Western Arctic (Inuvialuit) Claims Settlement Act*, or

(b) the Agreement approved, given effect and declared valid by the *James Bay and Northern Quebec Native Claims Settlement Act*; (*bénéficiaire*)

"blinking reflex test" means a test administered to a seal to confirm that it has a glassy-eyed, staring appearance and exhibits no blinking reflex when its eye is touched while the eye is in a relaxed condition; (*test de réflexe de clignement*)

"blueback" means a hooded seal that has not moulted its blue coat; (*jeune à dos bleu*)

"bowhead calf" means a bowhead whale that is mottled in appearance and less than 7.5 m in length, measured from the point of the upper jaw to the notch between the tail flukes; (*veau de baleine boréale*)

"collector vessel" means a vessel greater than 19.8 m in length that is used to collect, transport or process seals or seal parts fished from vessels 19.8 m in length or less; (*bateau de récupération*)

"licence" [Revoked, SOR/93-336, s. 1]

"marine mammal" [Revoked, SOR/94-52, s. 1]

"narwhal calf" means a narwhal that is light in colour and less than 1.8 m in length, measured from the point of the upper jaw to the notch between the tail flukes; (*baleineau*)

"nuisance seal" means a seal that represents a danger

(a) to fishing equipment despite deterrence efforts, or

(b) based on a scientific recommendation, to the conservation of anadromous or catadromous fish stocks because it inflicts great damage to them along estuaries and in rivers and lakes during the migration of those species; (*phoque nuisible*)

"Sealing Area" means a Sealing Area illustrated and enumerated in Schedule III; (*zone de pêche du phoque*)

"strike" [Repealed, SOR/2003-103, s. 1]

"Subarea" has the same meaning as in section 2 of the *Pacific Fishery Management Area Regulations*; (*sous-secteur*)

"whitecoat" means a harp seal that has not begun to moult its white coat. (*blanchon*)

(2) A reference in these Regulations to a species or group of species of marine mammals by its common name as set out in column I of an item of Schedule I shall be construed as a reference to the species or group of species whose scientific name is set out in column II of that item. SOR/93-336, s. 1; SOR/94-52, s. 1; SOR/2003-103, s. 1.

APPLICATION

3. These Regulations apply in respect of the management and control of

(a) fishing for marine mammals and related activities in Canada or in Canadian fisheries waters; and

(b) fishing for marine mammals from Canadian fishing vessels in the Antarctic.

PART I GENERAL

Licensing

4. (1) Subject to subsections (2) and 32(1), the Minister may, on application and payment of the fee set out in column II of an item of the table to this subsection, issue a licence referred to in column I of that item.

TABLE

Column I Item Licence	Column II Fee
1. Fishing Licence	
(a) Beluga	(a) No charge
(b) Bowhead whale	(b) No charge
(c) Cetacean other than beluga, bowhead whale, narwhal or right whale	(c) \$5
(d) Narwhal	(d) No charge
(e) Seal -- personal use	(e) \$5
(f) Seal -- commercial use	(f) \$5
(g) Nuisance seal	(g) \$5
(h) Walrus	(h) \$5
2. Seal Fishery Observation Licence	\$25
3. Marine Mammal Transportation Licence	No charge

4. Collector Vessel Licence

\$25

(2) A licence to fish for narwhal shall not be issued to a person other than an Inuk.
SOR/2003-103, s. 2.

5. Subject to section 6, no person shall fish for marine mammals except under the authority of a licence issued under these Regulations or under the *Aboriginal Communal Fishing Licences Regulations*. SOR/93-336, s. 2.

6. (1) An Indian or Inuk other than a beneficiary may, without a licence, fish for food, social or ceremonial purposes for

(a) seals;

(b) cetaceans, except beluga in the areas described in column I of items 1 to 7 of Schedule II, bowhead whales, right whales and narwhal; and

(c) subject to section 26, four walrus in a year.

(2) A beneficiary may, without a licence, fish for food, social or ceremonial purposes within the area covered by the agreement under which the beneficiary is enrolled for

(a) seals;

(b) cetaceans, except beluga in the areas described in column I of items 1 to 7 of Schedule II, bowhead whales, right whales and narwhal; and

(c) subject to section 26, four walrus in a year.

(3) A person, other than a person referred to in subsection (1) or (2), who resides immediately adjacent to any of Sealing Areas 1 to 4 may fish for seals without a licence in any of those Sealing Areas for food purposes.

Prohibitions

7. No person shall disturb a marine mammal except when fishing for marine mammals under the authority of these Regulations.

8. No person shall attempt to kill a marine mammal except in a manner that is designed to kill it quickly.

9. No person shall fish for a marine mammal without having on hand the equipment that is necessary to retrieve it.

10. (1) No person who kills or wounds a marine mammal shall

(a) fail to make a reasonable effort to retrieve it without delay; or

(b) subject to section 33.1, abandon or discard it.

(2) No person who kills a cetacean or walrus shall waste any edible part of it. SOR/2003-103, s. 3.

11. No person, other than the holder of a licence to fish for marine mammals for experimental, scientific, educational or public display purposes issued under the *Fishery (General) Regulations*, shall

(a) move a live marine mammal from the immediate vicinity in which it is found; or

(b) tag or mark, or attempt to tag or mark, a live marine mammal in any manner.

Notice that Fishing Quota has been Reached

12. Where an annual fishing quota fixed by these Regulations has been reached, a fishery officer shall notify the persons affected or likely to be affected by one or more of the methods set out in subsection 7(1) of the *Fishery (General) Regulations*.

Sale and Transportation

13. (1) Subject to subsection (2), no person shall buy, sell, trade or barter the edible parts of a cetacean or walrus.

(2) Subsection (1) does not apply in respect of buying, selling, trading or bartering by

(a) an Indian or Inuk other than a beneficiary, within the Northwest Territories, the Yukon Territory, Quebec or Newfoundland; or

(b) a beneficiary, if the purchase, sale, trade or barter is carried out in accordance with the terms of the agreement under which the beneficiary is enrolled.

14. No person shall buy, sell, trade, barter or possess a narwhal tusk unless the licence under the authority of which the narwhal was taken is attached to the tusk.

15. The Minister shall, on application, issue a marine mammal transportation licence

(a) authorizing a person to take or carry edible marine mammal parts from one province to another for the personal use of that person or the members of that person's family;

(b) in respect of non-edible marine mammal parts; or

(c) in respect of any marine mammal or marine mammal parts to be used for experimental, scientific, educational or public display purposes.

16. (1) Subject to subsection (2), no person shall take or carry marine mammals or marine mammal parts from one province to another except under the authority of a marine mammal transportation licence issued by the Minister.

(2) Subsection (1) does not apply

(a) to a person who fishes for marine mammals in one province and resides in another province and who is taking or carrying his catch to his place of residence; or

(b) in respect of seals or seal parts taken from any of Sealing Areas 4 to 33.

Records and Reporting

17. (1) Every person who is authorized under these Regulations to fish for cetaceans or walrus shall keep a record for a period of two years of any cetacean or walrus taken and shall produce that record for examination when requested to do so by a fishery officer.

(2) The record referred to in subsection (1) shall contain the time and place at which the cetacean or walrus was taken and the species, sex and colour of the cetacean or walrus.

PART II CETACEANS

General

17.1 In this Part, "strike" means to wound a cetacean but be unable to retrieve it from the water. SOR/2003-103, s. 4.

18. No person shall fish for a beluga calf, bowhead calf or narwhal calf or for an adult beluga, bowhead whale or narwhal that is accompanied by a calf.

19. No person shall fish for cetaceans with a firearm unless the person uses

(a) a rifle and bullets that are not full metal-jacketed that produce a muzzle energy of not less than 1,500 foot pounds; or

(b) a shotgun and rifled slugs that produce a muzzle energy of not less than 1,500 foot pounds.

Beluga

20. No person shall fish for beluga in the St. Lawrence River, the Saguenay River or any of their tributaries or in the Gulf of St. Lawrence.

21. No person shall fish for beluga in an area described in column I of an item of Schedule II

(a) during the close time set out in column II of that item; or

(b) after notice has been given by a fishery officer that the annual fishing quota set out in column III of that item has been reached.

Bowhead Whales

22. No person shall fish for bowhead whales in the waters described in column I of an item of the table to this section

(a) during the close time set out in column II of that item; or

(b) after notice has been given by a fishery officer that the annual fishing quota set out in column III of that item has been reached.

24. Every person who kills a narwhal shall forthwith

(a) affix the licence under the authority of which it was killed securely to the tusk of the narwhal or, where there is no tusk, to the carcass of the narwhal;

(b) mark the month of the kill by making a notch in the appropriate date square indicated on the edge of the licence; and

(c) tear off the portion of the licence indicated on the licence, mark on that portion of the licence the month in which the narwhal was killed and the sex of the narwhal, and return that portion of the licence as soon as possible to the person who issued the licence.

**PART III
WALRUS**

25. No person shall fish for walrus with a firearm unless the person uses

(a) a rifle and bullets that are not full metal-jacketed that produce a muzzle energy of not less than 1,500 foot pounds; or

(b) a shotgun and rifled slugs that produce a muzzle energy of not less than 1,500 foot pounds.

26. No person who ordinarily resides in a settlement set out in column I of an item of the table to this section shall fish for walrus after notice has been given by a fishery officer that the annual fishing quota set out in column II of that item has been reached.

**PART IV
SEALS**

Licences

26.1 (1) Every person who fishes for seals shall hold at least one of the following licences:

- (a) a fishing licence for seal -- personal use;
- (b) a fishing licence for seal -- commercial use; or
- (c) a fishing licence for nuisance seal.

(2) The operator of a collector vessel shall hold a collector vessel licence. SOR/2003-103, s. 5.

Prohibitions

27. No person other than a beneficiary shall sell, trade or barter a whitecoat or blueback.

28. (1) No person shall fish for seals, for personal or commercial use, in any of Sealing Areas 4 to 33 except with

(a) a round club made of hardwood that measures not less than 60 cm and not more than 1 m in length and that, for at least half of its length, beginning at one end, measures not less than 5 cm and not more than 7.6 cm in diameter;

(b) an instrument known as a hakapik, consisting of a metal ferrule that weighs at least 340 g with a slightly bent spike not more than 14 cm in length on one side of the ferrule and a blunt projection not more than 1.3 cm in length on the opposite side of the ferrule and that is attached to a wooden handle that measures not less than 105 cm and not more than 153 cm in length and not less than 3 cm and not more than 5.1 cm in diameter;

(c) a rifle and bullets that are not full metal-jacketed that produce a muzzle velocity of not less than 1,800 feet per second and a muzzle energy of not less than 1,100 foot pounds; or

(d) a shotgun of not less than 20 gauge and rifled slugs.

(2) Every person who strikes a seal with a club or hakapik shall strike the seal on the forehead until its skull has been crushed and shall manually check the skull, or administer a blinking reflex test, to confirm that the seal is dead before proceeding to strike another seal.

(3) If a firearm is used to fish for a seal, the person who shoots that seal or retrieves it shall administer a blinking reflex test as soon as possible after it is shot to confirm that it is dead.

(4) Every person who administers a blinking reflex test on a seal that elicits a blink shall immediately strike the seal with a club or hakapik on the forehead until its skull has been crushed, and the blinking reflex test confirms that the seal is dead. SOR/2003-103, s. 6.

29. No person shall start to skin or bleed a seal until a blinking reflex test has been administered, and it confirms that the seal is dead. SOR/2003-103, s. 7.

30. No person shall fish for adult harp or hooded seals in whelping or breeding patches.

31. [Revoked, SOR/94-54, s. 1]

Observation of Seal Fisheries

32. (1) A seal fishery observation licence may be issued only if the Minister determines that the issuance of the licence will not cause disruption to a seal fishery.

(2) For the purposes of subsection (1), the Minister, in determining whether the issuance of a seal fishery observation licence will cause disruption to a seal fishery in a specific geographical area, shall consider

(a) the period and geographical area for which the licence is being sought;

(b) the number of seal fishery observation licences previously issued for that period in that area;

(c) the number of seal hunters operating in that area; and

(d) whether the applicant has a stated aim of disrupting the seal fishery or has been convicted, in the five years preceding the application for the licence, of tagging, marking or moving a live seal or of approaching within one-half nautical mile of a person who is on the ice fishing for seals.

33. (1) Subject to subsection (2), no person shall, except under the authority of a seal fishery observation licence issued by the Minister, approach within one-half nautical mile of a person who is on the ice fishing for seals.

(2) Subsection (1) does not apply

(a) to a person who is authorized to fish for seals under these Regulations;

(b) in respect of commercial flights that are operating on scheduled flight plans;

(c) in respect of commercial vessels that are in transit;

(d) to a person who is employed by, assisting, or present at the request of the Department;
or

(e) to a person who resides within one-half nautical mile of a person who is on the ice fishing for seals.

Landings

33.1 Every person who fishes for seals for personal or commercial use shall land the pelt or the carcass of the seal. SOR/2003-103, s. 8.

Close Times

34. Subject to sections 36 and 37, no person described in column I of an item of Schedule IV shall fish for seals of a species set out in column II of that item in a Sealing Area or Subarea set out in column III of that item during the close time set out in column IV of that item.

35. No person shall fish for seals in any of Sealing Areas 5 to 33 earlier than one-half hour before sunrise or later than one-half hour after sunset on any day.

36. No person shall fish for seals in the waters adjacent to the Gaspé coast in the Province of Quebec that are inside or shoreward of a straight line drawn from Pointe-au-Renard to a point at Latitude 49°00'N., Longitude 64°05'W., thence to a point at Latitude 48°25'N., Longitude 64°05'W., and thence to the lighthouse at Cap d'Espoir.

37. No person shall, except where otherwise authorized as a condition of a licence,

(a) fish for seals during the period beginning on June 1 and ending on September 30 in the waters of Murray Harbour or its tributaries in the Province of Prince Edward Island that are inside a straight line drawn from the range light on Old Store Point at Latitude 46°01'17"N., Longitude 60°28'44"W., to the southernmost tip of Sable Point at Latitude 46°01'14"N., Longitude 62°29'07"W.;

(b) fish for seals during the period beginning on May 1 and ending on September 30 in the waters of the Saguenay River, the St. Lawrence River and their tributaries that are west of Longitude 67°23'W. in the Province of Quebec;

(c) fish for seals during the period beginning on June 1 and ending on September 30 in the waters adjacent to the coast of New Brunswick that are enclosed by the coastline and straight lines joining the following points, in the order in which they are listed:
